Introducing... The POPS Team: Proactive care of the Older Patient having Surgery.

The POPS team is an innovative new service at Dartford and Gravesham NHS Trust led by Consultant Geriatricians Dr. Catherine Meilak and Dr. Anna Whittle.

POPS originated from Guy's and St Thomas' NHS Foundation Trust , where it has been shown to significantly improve outcomes for older surgical patients, and to reduce length of stay. Here at DGT the POPS team works alongside the General Surgeons ... [See More](#)
